INDEPENDENT. FAMILY OWNED.
COMMUNITY FOCUSED

Founded in 1985, One Source began with a mission to deliver better service to underserved accounts. Today, we're the largest independent vending provider in the region, proudly serving businesses of all sizes across Greater Philadelphia, Allentown, Reading, and Lancaster, supported by our fleet of refrigerated trucks and a commitment to exceptional care. As a family-owned business, we offer the personal touch of a small company with the resources of a larger one.

SERVICE YOU CAN COUNT ON

- **Decades of trust with clients who remain today**
- **Nearly 90% customer retention that reflects consistent service**
- **Test-drive our service with free delivery and installation for qualified accounts**

ADVANCED TECHNOLOGY
MANAGED IN-HOUSE

At One Source, we invest in the latest technology to better serve businesses. Our solar-powered, state-of-the-art warehouse features LightSpeed pre-kitting for accurate deliveries, cloud-based monitoring for 24/7 oversight, and wireless reporting that helps us keep your breakroom fully stocked. Clean, temperature controlled, and held to the highest standards, our facility reflects our commitment to quality, efficiency, and sustainability.

HEAR FROM OUR *SATISFIED* CUSTOMERS

"One Source hosted an employee event with giveaways and raffles at my company. Everything was top notch and the employees enjoyed the event, especially the fresh popcorn."

-Diane Hein

"One Source provides our company with good coffee and catering supplies. I like the variety of snacks in our canteen."

-Timothy Suckow

"Love their open market at my job, they are friendly and curious when they fill it. There prices are reasonable and fair always look forward to new items"

-Leon Volinsky

COMPLETE BREAKROOM ***SOLUTIONS***

VENDING

Modern vending machines with cashless payment, better-for-you options, and proactive service.

MICRO MARKETS

Open-access, self-checkout markets with convenience-store variety, customized for your workplace.

SMART STORES

Fully automated stores with advanced technology and open 24/7

OFFICE COFFEE AND SUPPLIES

We bring the full coffee shop experience to your workplace, top of the line equipment and your favorite coffee brands.

WATER SERVICE AND FILTRATION

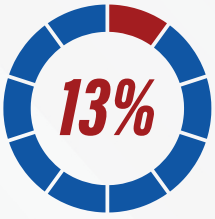

Bottleless water coolers, hydration stations, and filtration solutions for clean, great-tasting water.

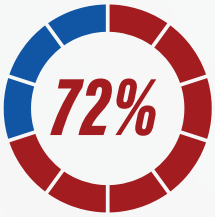

PANTRY AND SNACK PROGRAMS

Curated snack and beverage programs that support morale, retention, and workplace culture.

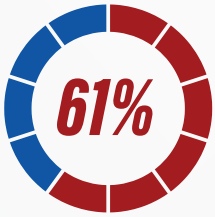

KNOW THE ***FACTS***

increase in productivity with snack and beverage access (British Journal of Health Psychology)

of employees say vending contributes to workplace satisfaction (Technomic)

of employees appreciate healthy snacks (CDC)

A BETTER BREAKROOM ***STARTS HERE***

At One Source, we make it easy to elevate the breakroom experience. Our focus is on delivering fresh, high-quality products through smart, reliable service that puts your needs first. With innovative technology and a commitment to excellence, we keep your breakroom stocked, hassle-free, and tailored to your team.

VENDING OPTIONS FOR ***EVERY WORKPLACE***

HEALTHY VENDING

Better-for-you snacks and beverages, with clear labeling to support smarter choices.

FRESH FOOD VENDING

A convenient mix of meals and grab-and-go options for teams on any schedule.

BEVERAGE VENDING

Cold drinks from top national brands, plus popular low-sugar and zero-calorie options.

SNACK VENDING

Employee favorites, classic treats, and better-for-you snacks in one reliable program.

VENDING PROGRAMS THAT ***FIT YOUR BUDGET***

TRADITIONAL VENDING

Employees pay for items at standard prices, with a fully managed program and reliable service.

SUBSIDIZED VENDING

Keep prices low by covering a portion of the cost, while employees pay the rest.

FREE VENDING

Offer a high-impact employee perk by covering the full cost so items are free to employees.

GLOBALCONNECT

GlobalConnect ensures that your breakroom gets consistent micro market and vending service across all locations using the same technology, rewards program, health and wellness standards, and high level of customer service.

TRANSFORM YOUR BREAKROOM WITH A ***MICRO MARKET***

Micro markets are open-concept, self-serve marketplaces that bring variety, convenience, and customization to your breakroom. With hundreds of product choices, employees can browse, shop, and enjoy snacks, meals, and beverages at their own pace. Markets are customized for each location and feature self-checkout kiosks, healthy choices, local food options, and fresh meals prepared daily. Each market is tailored to fit your space and needs, creating a welcoming area where employees can relax and recharge.

GRAB-AND-GO SMART COOLERS ***COMING SOON!***

Smart coolers offer a sleek, secure way to provide meals, snacks, and drinks around the clock, making them ideal for high-traffic areas like airports and hotels. These locked coolers open when a payment method is presented, and advanced technology ensures accurate tracking and payment. With a smaller footprint than traditional vending machines, they take up less space offer an easy-to-use touchscreen and convenient cashless checkout.

OFFICE PANTRY PROGRAMS

Enhance your breakroom with a customized office pantry provided as a free benefit to your employees. Our tailored pantry solutions offer a convenient and inviting experience with a curated selection of snacks, beverages, and fresh food options. No on-site staff is needed, and our reliable service ensures the pantry remains stocked and appealing.

COFFEE AND BEVERAGE SOLUTIONS *EMPLOYEES APPRECIATE*

COMMON VENDOR PROBLEMS — ***SOLVED***

WHY COMPANIES CHOOSE ONE SOURCE

1

Product outages & empty machines

Real-time sales tracking prevents stockouts before they happen.

2

Slow service response

Most service issues resolved within 24 hours.

3

Slow refunds & issue resolution

Instant electronic refunds + 24/7 support through Zippy Assist

4

Unclear communication

Dedicated account manager - no 1-800 runaround.

5

Limited reporting visibility

Clear monthly & quarterly performance reports.

6

Managing multiple vendors

One partner for vending, markets, coffee, water & supplies
